

# Curriculum vitae

Since Oct. 2019: Professor,  
Institute of Condensed Matter Physics, Physics Department,  
Technische Universität Darmstadt, Darmstadt (Germany)

Sep. 2014 – Sep. 2019: Group leader,  
Biomaterials Department, Max-Planck Institute of Colloids and Interfaces,  
Potsdam (Germany)

Apr. - Aug. 2014: Independent researcher,  
Biomaterials Department, Max-Planck Institute of Colloids and Interfaces,  
Potsdam (Germany)

Apr. 2012 – Mar. 2014: Marie-Curie Fellow,  
Institut Laue-Langevin, Grenoble (France)

Apr. 2010 – Mar. 2012: Post-Doctoral researcher,  
TU München and FU Berlin (Germany)

Apr. 2010: PhD degree in Physics, Universität Heidelberg (Germany)

Jun. - Aug. 2008: Long term visit,  
Physics Department, Kyoto University (Japan)

Feb. - Aug. 2007: Long term visit,  
Institut Laue-Langevin, Grenoble (France)

2006-2010: PhD thesis in Physics, Universität Heidelberg (Germany)

Dec. 2005: Diploma in Physics, Technische Universität München (Germany)

2000-2005: Physics Studies, Technische Universität München (Germany)

## Grants, Awards, and Fellowships

French/German ANR/DFG Project Grant *BLink* by the German Research Foundation (2018)

PhD Project Grant by Institut Laue-Langevin (2017)

BMBF Grant *3PhaseNR* within the Röntgen-Angstrom Cluster Framework (2015)

Emmy-Noether Grant by the German Research Foundation (2014)

Marie-Curie Intra-European Fellowship for Career Development (2012)

Award by the Dr.-Sophie-Bernthsen Fonds (2010)

Springer Prize for PhD theses (2010)

Award by the Japanese Society for the Promotion of Science (JSPS), summer program (2008)

Individualstipendium der Landesgraduiertenförderung Baden-Württemberg (2007)

Auslandsstipendium des Deutschen Akademischen Austauschdienstes (2007)
